* Including the activities of Cegedim acquired on 1st July 2007.

For the financial year as a whole, turnover reached €182.3m an increase of €15.8m (+9.5%) on the year 2006.

- The marketing services branch, GEIDE and e-filing Internet portals of the Cegedim Group account for an additional consolidated turnover of €13.3m over 6 months.
- **Document processing** at €64.9m (vs. €61.8m in 2006) grew by 5.0% with a particularly well sustained activity for data acquisition and capture at €38.9m, an increase of 10.7%.
- The turnover generated by **payment methods** was stable at €104.1m (vs. €104.5m in 2006). However, it should be stated that on 31st December 2006 **tessi** sold off the money transfer activity. The central branch and secured transport activity generated a turnover of €10.3m in 2007.

By way of reminder, the Management of **tessi** announced on 27th December 2007 that it had already started a process of talks with a view to selling off the funds transport, securities management and the automated banking business of CPR Billets, as this activity had become non-strategic for the **tessi** Group. The disposal solution or solutions selected will be those offering the most industrial guarantees for the continuity of the business and those that will defend the best interests of the **tessi** Group.

Next press release: Annual results, on 16th April 2008 after the close of trading.
