

## Finalisation of withdrawal from funds transport activities

In the first quarter 2008, Tessi sold off its non-strategic activities of funds transport, securities management and automated banking in mainland France to Loomis France, the funds transport division of Securitas.

Tessi's withdrawal is now fully finalised by the July 2009 sale of its Keepway activity in Saint Denis de la Reunion to Transbank, the leading provider in this sector in French Overseas Departments (DOM).
